

GSAWS PACIFIC INTERGROUP MEETING MINUTES

SEPTEMBER 5, 2009

- Present: Becky (LA Meetings) Marty (Seattle Meetings) Annie (Bay Area Meetings)
- Members of the Pacific Intergroup shared with the visitor from the Bay Area meetings their involvement with GSA and the participation of the face-to-face meeting with GSAWS. Annie reported that the OA-GSA meetings in the Bay Area have grown and they are interested in participating in GSA. The Tuesday night meeting is considering becoming GSA. They have needed to defer making that decision until after people have returned from summer vacations and the whole group can decide. Annie or another representative will continue to be a liaison as this decision is being made. Mary will contact Gayla with Annie's contact information and ask whether Annie can attend the September delegates meetings.
- Los Angeles Meeting Report
 - The Los Angeles meetings are setting aside funding to support the sending of the GSA delegates to the GSA World Service Conference in Chicago 2010.
- Seattle Meeting Report
 - Members of Seattle meetings have been happy to receive information about the development of the World Service Conference.
 - There will be a proposal to designate funds to support the sending of the GSA delegates to the GSA World Service Conference in Chicago 2010.
- Becky (Los Angeles meeting) is the primary delegate and Marty (Seattle meetings) is the secondary delegate to the GSA World Service Conference in Chicago 2010.
- Becky and Marty will attend the delegates meetings scheduled September 14/15th. Annie will get information regarding that meeting from Gayla.

- We will begin to seek out face to face meetings in each of the states that are in the Pacific Intergroup.
 - Becky will make inquiries through the Greynet and the Phone Bridge meetings.
 - Marty will visit Oregon between September and November and visit face to face meetings in the area.
 - Mary will follow-up on contacts that she has in Oregon and Idaho.

- The next meeting in October 3-11:00. Becky has volunteered to arrange the phone conference meetings. Marty (namaste808@verizon.net) is the contact for anyone wanting the number and code for the meeting.

Pacific Inter-group is open to all GSA face to face meeting representatives, participants or those interested in supporting the development of face to face meetings in our region.
